Counties Served

Larimer County

Program Type

- Collaboration On-Site (Mental health on-site on a limited basis in a Federally Qualified Health Center).
- Direct Clinical Service; Referrals
- LCMH provides an Early Childhood Specialist for ten hours per week to serve children ages 0-5 and their families.
- LCMH provides direct services to adults for eight hours per week.

Operational Resources

- Salud Family Health Centers – Fort Collins Clinic provides the facility and related supports to ensure that access to the clients' primary health record is available.
- Larimer Center for Mental Health is responsible for the supervision, technical resources and operational supplies to support the behavioral healthcare delivered by its co-located staff.

Fiscal Resources

- Early Childhood services are funded through LCMH's General Fund contract with the state of Colorado.
