Embracing Transformation

Dear Educational Partner,

We are pleased to invite you to exhibit and sponsor during our CBHC 2022 Annual Training Conference:

Embracing Transformation!

Join us at Beaver Run Resort & Conference Center in beautiful Breckenridge, Colorado, on September 21-24, 2022.

We will be back in person, gathering together for valuable connection time with behavioral health-care leaders and decision makers across Colorado.

We anticipate having around 600+ clinicians, upper management, business and CMHC board members attending our three day conference.

Our theme this year, Embracing Transformation, is intended to increase the fostering of new and deeper relationships with our state and nationwide members of the behavioral health system.

CBHC offers this once a year opportunity to expand your outreach and connect with individuals across the state who are excited to learn more about your programs, products and services.

I encourage you to make plans now to join us to showcase and promote your company to a statewide and regional audience.

We value our partner relationship with you. Thank you, as always, for your continued support of the Colorado Behavioral Healthcare Council.

We look forward to seeing you back in Breckenridge!
