# Meeting the Moment for Communities

Dear Educational Partner,

We are pleased once again, to invite you to exhibit and sponsor during our CBHC 2026 Annual Training Conference!

Our theme, *Meeting the Moment for Communities*, speaks to the ongoing transitions in behavioral healthcare and the new innovations taking place at both the state and federal level.

Join us at Beaver Run Resort & Conference Center in the beautiful Breckenridge, Colorado, on September 30-October 3, 2026.

We will be gathering together in person for valuable connection time with behavioral healthcare leaders and decision makers across Colorado. We anticipate having around 600+ clinicians, upper management, business and CMHC board members attending our three day conference.

CBHC offers this once a year opportunity to expand your outreach and connect with individuals across the state who are excited to learn more about your programs, products and services.

Looking to transforming the future together, we are hopeful that the new initiatives being created will offer all Coloradans the behavioral health care they need and deserve.

We look forward to working with all entities in the behavioral health space to ensure that we are successful, exceed expectations, and bring about lasting positive change to our ever evolving system of care.

I encourage you to make plans now to join us to showcase and promote your company to a statewide and regional audience. We value our partner relationship with you.

Thank you for your continued support of the Colorado Behavioral Healthcare Council.

We look forward to seeing you in Breckenridge!
