

Leading the Way Home

Integrated Health Services and Wraparound Supports for Individuals Experiencing Homelessness

Community partnership between All Roads Day Center, Clinica Family Health & Wellness, City of Boulder, and other community providers

NOTES:

Learning Objectives

- Learn about an innovative partnership to address homelessness
- Hear about on-the-ground strategies to implement integrated, co-located services at a new shelter-based Day Services Center
- Gain insight into sustainability strategies
- Hear directly from the front-line staff and clinicians to learn how one community is coming together to work smarter and more efficiently to address a chronic challenge with a whole-person approach.

NOTES:

Day Center

October 2024 - August 2026

Clinica was contracted to provide services at the Boulder County Day Center beginning in October 2024. CFHW provided services from our Housing team, Community Health Workers, and Psychiatry.

Community Health Workers

39 Salient Contacts

Meaningful, engaging conversations about healthcare, emotional/physical wellness, and resources, explaining role of CHW, discussing the health of a family member or loved one, and/or discussing barriers to care (beyond 'hello, hi, how's it going?').

Housing Team

Individuals helped through Navigation services

255

Program Enrollments

120

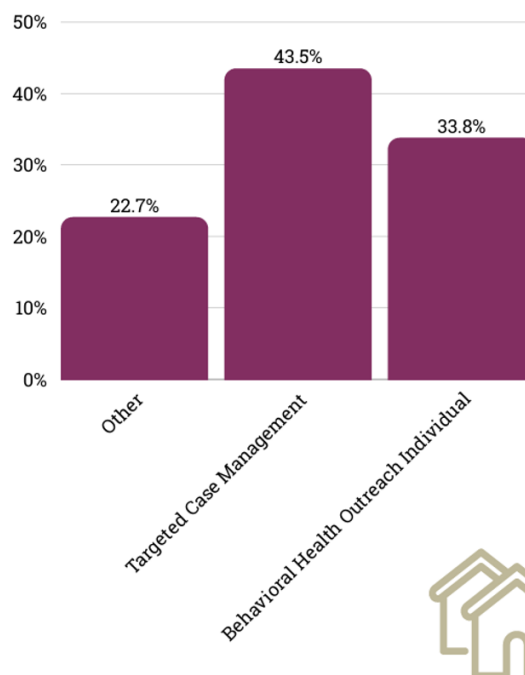

Individuals helped through Outreach services

182

Services provided by Housing Team

1,582

Services provided by Housing Staff

Psychiatry

178 Appointments

A Nurse from CFHW has been onsite at the Day Center every Tuesday since February 2025 to provide Psychiatric Care to those interested.

All Roads

- ❖ 1600 average served yearly
- ❖ 900 year for Day Center
- ❖ 80-120 Daily for Day Center
- ❖ 180 Nightly for Sheltering
